CALIFORNIA STATE LIBRARY

CitywideGroup To Aid Library Project Urged

Organizations Asked By Legion To Name Representatives

Formation of a citywide committee, representing all organized groups in Redwood City, to assist in the study and preparation of plans for a new public library was advocated at Monday's meeting of Post 105, American Legion, according to Comm. Roger D. Walsh.

"The post directed me to write to all civic, fraternal and other organizations in Redwood City," Walsh stated today, "Asking each to send in the name of a member willing to serve on such a committee. Our letters will go out this week, and, judging from the widespread interest already shown in the subject, we anticipate a prompt and whole-hearted response."

Recalling that the present library was built in 1905, when Redwood City's population was less than 2500, the letters, the commander said, will cite today's registration of 10,392 library patrons, of whom 8176 last year were active book borrowers.

DISADVANTAGES TOLD

Crowded book stacks, filled down to floor-level; reading room accommodations for but one-fourth of those coming in to use them; roof leaks that repairs have not been able to stop; flooded basement quarters, including the children's room, where sewer odors and dampness are declared to create unhealthful conditions; poor lighting; plumbing made unserviceable for days after heavy rains —these and other difficulties, Walsh asserted, will be set forth in support of the need for a new building.

"We have one of the best library staffs in the state," maintained the commander whose post last month brought the subject of a proposed new library before the city council, "but the best staff in the world couldn't make a '1905-model' building serve the modern needs of 10,000 eager readers and students."

PLANS BEING PREPARED

On instructions from the city council, the library trustees are studying tentative plans submitted by several architects. It is expected that they will be ready to report back to the council before the end of the month.

DELICATESSEN KITCHEN DE LUXE FOR NEW STORE

In this spotless kitchen (upper) salads and delicatessen dishes are prepared for all Lucky Stores, under the expert supervision of Mrs. S. Armstrong (inset). Lower photograph shows modern, air-conditioned Ford delicatessen delivery truck, with driver.

Palo Alto Sets Flower Show

PALO ALTO, Mar. 16—Regulations governing the Spring flower show to be given by the Garden Club of Palo Alto Apr. 9 and 10 were issued today.

The show, which will be held in the Community Center, will be developed on the general theme of "Romance.' In order to encourage a wider participation, the club has planned for this year's show to be non-competitive.

Following are the regulations:

(1) Entries must be sent before Apr. 1 to the chairman of the entry committee, Mrs. T. C. Christy, 441 Maple St., Palo Alto. (Telephone Palo Alto 6425.)

(2) All exhibits must be arranged and in place by 10 a.m., Saturday, Apr. 9. No exhibits may be removed before 6 p.m. on Sunday, Apr. 10. All exhibits must be removed by 10 a.m., Monday, Apr. 11.

(3) Containers for all exhibits must be supplied by exhibitors.

(4) Exhibitors' containers and accessories must be plainly marked with exhibitor's name.

(5) The show chairman shall have the right to require grouping where desirable and also the privilege of removing any exhibit that has become unsightly.

Mayfair, London's fashionable section, derives its name from a fair formerly held in the locality during May.

New Market Opens Today

The newly constructed Lucky Market at 2628 Broadway will hold its formal opening this morning with suvenirs and samples for all visitors.

A. Doonan, vice president, reports that remodeling the Peninsula Stores Ltd. Redwood City establishment into the newest Lucky super-market required an expenditure of $25,000.

"Our new Lucky Market introduces to Redwood City a 'department store' dealing in foods," he explained. "Whatever our customers require, groceries, meats, delicatessen foods, fruits, vegetables, bakery goods, pet foods, baby foods, wines and beers, they are sure to find here. In the grocery department alone more than 4700 items are carried."

Bookmaker Suspects Win Freedom on Bail

All seven persons arrested in raids by Undersheriff Lawrence Nieri on bookmakers in Belmont and Millbrae were at liberty today on $250 cash bail.

Booked this morning and immediately released were H. Clayton Caldwell, 68, former Belmont police chief and owner of the Caldwell Hotel, and his clerk, Claude McLeod, 30.

Booked yesterday were John and Joe Fischer and Fred Welte, arrested at The Bowl in Millbrae, and J. C. Caldwell and Manuel Catania, taken into custody at Caldwell's.

Detroit University in 1938 will play two football games on Sunday, two on Friday night, and one on Wednesday afternoon in addition to its Saturday contests.

Henry III was fond of death emblems, and ordered the death's head and cross-bones to be introduced on the bindings of his books.

Air Mail Speeded Up To Pacific Northwest

A faster overnight air mail service from San Francisco and Oakland, as well as passenger and express service, giving a two-hour earlier arrival in Portland, Tacoma and Seattle, with first delivery in the morning in cities of the Pacific Northwest, has been placed in effect, it was announced today by Postmaster R. E. O'Connell Jr.

Heretofore the overnight plane arrived in the Pacific Northwest too late for morning delivery of mail. Under United Air Line's schedules announced by Postmaster O'Connell, mail deposited in the Redwood City postoffice will connect with United's overnight passenger plane which reaches Portland at 6:18 a.m., Tacoma at 7:20 a.m., Seattle at 7:40 a.m., Spokane at 10 a.m., Vancouver, B. C., at noon. Mail to connect with this plane must be deposited in the postoffice not later than 7:30 p.m. on week days and not later than 6 p.m. on Sundays and holidays.

Jail Term Results From Gambling Raid

SAN MATEO, Mar. 16—One person began serving a 15-day sentence in the county jail in Redwood City today and a bench warrant was to be issued for another as the outcome of a gambling raid conducted several days ago by police at a San Mateo pool hall when seven Filipinos were arrested.

Municipal Judge A. H. Stetson gave Emil Geronimo the gamekeeper the choice of paying $100 fine or going to jail. He was unable to raise the $100. The bench warrant is to be issued for Dan Tayco, who failed to appear at the hearing.

Educators Return From Eastern Meet

Roy W. Cloud, executive secretary of the California Teachers' Association; Miss Pansy Jewett Abbott, county superintendent of schools, and Miss Eleanor Freeman, director of curriculum for San Mateo County, returned over the week-end to their respective homes after having attended the annual convention of the American Association of School Administrators in Atlantic City.

TUBERCULIN TESTS FOR 350 SEQUOIA FRESHMEN PLANNED

Parents Sent Consent Cards; Physicians Named for Project

As a health service from the San Mateo County Tuberculosis and Health Association, 350 Sequoia High School freshmen will be given tuberculin tests next Monday, Mar. 21, Wednesday, Mar. 23, and Friday, Mar. 25.

The harmless skin tests will discover early infection, according to a statement issued by the association today. A positive test, however, need cause no worry, the association pointed out, for it would not mean that the child has active tuberculosis, but that he should be X-rayed and examined by his physician to determine if the germs have caused any damage.

"A positive test is like a red light, which is not dangerous in itself but warns us to look carefully for danger," the association stated. "To protect a child with a positive tuberculin test from getting tuberculosis, he must be given a chance to build good health and it must be made certain that he is no longer in contact with someone who has tuberculosis.

"Children should be tested when very young before they enter school as those found to be positive can trace their source of infection easier because of the small groups these children come in contact with. Pupils in high schools should be tested for they are at the dangerous age when tuberculosis strikes hardest. The student with the positive tuberculin test gives a clue to the source of infection from the germ causing tuberculosus disease. Through follow-up in the home and in his daily contacts the source is often found to be one who does not know that he has the disease."

Following the Monday tests, parents are advised to note condition of the tested area. If a red area appears at the site of the tuberculin test, it is an indication that the pupil has a positive tuberculin reaction and must be X-rayed.

"You are requested to note whether or not the area is red," said the association statement. "If so, you are requested to come to school with the child on Wednesday, Mar. 23, at 9 a.m. Doctors will be on hand to explain the situation and make arrangements for free X-rays. No X-rays will be taken of any child unless the parent appears with the child at the school for instructions."

The health service is made possible through sale of 1937 Christmas Seals, which permit testing of 350 students this year, as compared with 129 last year.

"Every child should be tuberculin tested," declared the statement. "Any physician can give this simple test in his office. If you can afford it, go to your physician, and if not, call on your local tuberculosis association if you have been in contact with an active case of tuberculosis and have not been tested."

Physicians aiding in making the tests are Drs. F. S. Gregory, Harper Peddicord, H. A. Clattenburg, Freda Meyerfeld, J. N. Blood, Thomas E. Bivins, Richard Ames, Ralph D. Howe, C. O. Morse, Harry Mason, Robert F. Monteith, Dewey F. Brown.

Miss Pauline Merino, public health nurse, will be in charge of arrangements. Mrs. Adeline Overton, P.H.N., with local P-TA members, will be in charge of assisting the local physicians.

Employer, Employe Dinner Set Here

Independent merchants of Redwood City will sponsor an "employe and employer" dinner Apr. 4 at Sequoia High School, according to Joseph Territo, chairman of the committee in charge. Employes will be guests of their employers.

JOSEPH TERRITO

Principal speaker will be Samuel Worswick, author of "The Romance of Selling." The subject chosen by Worswick, who last year trained more than 6000 salespeople, will be "Reciprocity and Loyalty."

Other speakers will be David Keeble, state president, and Charles H. Jacobs, state manager, of Home Owned Businesses of California. Entertainment also is planned. Collective efforts to promote independent businesses, its legislative accomplishments and objectives will be told.

Territo's committee includes B. F. Mackler, W. D. Ayan, Charles Mitchell, P. A. Ryan, Leo E. Fuller, F. J. Furnivall and Harry W. Ramsay. Ticket sales are in the charge of A. J. Brown and can be secured from any member of the committee.

MENLO PARK NEWS NOTES

Rainfall Tuesday night and Wednesday morning was .50 inch, making the total for the season 22.09 inches. At this time last year the precipitation was 15 inches. This is the record kept at the Southern Pacific Depot.

The municipal election takes place Apr. 12, and already active canvassing is being made for the three places on the city council. The candidates are Henry Carroll and Mayor J. E. Cooper, incumbents, W. H. Weeden and E. H. Hart, former trustees, Robert Concannon and Hugo May. Irving Dunn, an incumbent, did not file.

Kirk Thomas C. Stevenson, son of Mr. and Mrs. C. M. Stevenson of Menlo Park, qualified for the honor roll at Carnegie Institute of Technology with a B-plus average for the past semester, it was learned this week from the college. Young Stevenson was graduated from Sequoia High School last June.

Miss Gail Crouse, who has just returned from a trip to Jamaica, is a guest of Mr. and Mrs. Stewart Lowery. The young lady will remain here for three weeks.

Last Friday evening Church of the Nativity was crowded by persons assembled to witness the Sacrament of Confirmation administered by Archbishop John J. Mitty, who delivered a brief sermon before the ceremony. Over 100 children and several adults received the sacrament.

Large flocks of wild pigeons have been seen in this vicinity recently. It is at this time of the year the birds leave for their summer quarters. It is unusual to see them here in such large numbers at this season of the year.

Owing to the swollen condition of San Francisquito Creek there is a large run of salmon to the headwaters of the stream. Many poachers have caught a number of the fish. A severe penalty is attached to anyone whom state officials find guilty of this offense.

Rev. Charles E. Fritz, new rector of Trinity Episcopal Church, preached his first sermon here last Sunday. He was greeted by a large congregation. He succeeds Rev. Ralph Smith, who was pastor for 17 years.

Isabelle Weeden Lindquist, hospital chairman for Menlo Park American Legion Auxiliary Unit 433, had the following ladies assist her in giving a St. Patrick's Day program at the Veterans Administration Facility Tuesday afternoon: Mrs. E. J. Bullivant of Redwood City and Mrs. Loren Ross and Miss Meta Kugeler of Menlo Park. Wards 17 and 7 were visited. Songs, dances and refreshments featured the event.

Palo Alto Camp 129, United Spanish War Veterans, and its auxiliary honored Comrade Fred J. Buenzal and Mrs. Buenzal at a dinner Monday in Community Center, Palo Alto. Mrs. Peter Bush, music chairman, and Isabelle Weeden Lindquist, soloist for the U. S. S. Maine memorial program given by the camp in Palo Alto Civic Theater Feb. 20, were honored guests. Mrs. Lindquist gave a number of soprano solos.

Next card party of the Native Daughters of the Golden West series will be held in Central School auditorium Thursday, Mar. 24.

Paul Thomas, who is employed on the Lurline, spent his birthday anniversary (St. Patrick's Day) with his aunt and uncle, Mr. and Mrs. W. H. Weeden. He will leave for Honolulu today.

6 Topics Considered At Toastmaster Club

With T. M. Badley as chairman, six members of the Toastmasters Club talked on a variety of subjects Monday night.

James P. Hagan discussed "Trifles"; Louis B. Dematteis considered the Russian spy trial under title of "Thank God, This is America"; Mark Nesbit in an extemporaneous speech discussed his recent hospital stay; Martin Levy, "Growth of American Highways"; Milum Tackitt, "Paul Bunyan," and Kenneth L. Bowen, "Six Good Men," discussing the council candidates.

President Tackitt presided. Robert R. Gros was critic.

M. P. Fire District To Name Director

MENLO PARK, Mar. 16—A vacancy in the Menlo Park Fire District Board of Commissioners will be filled in a special election Apr. 4. Incumbent C. H. Merrill is the only candidate to file to date. Polling places will be (1) at the fire district headquarters on Merrill St., Menlo Park, and (2) at Station 2 on Manhattan Ave., Ravenswood. Other commissioners are H. J. Jepsen and James B. Howell.

FARM AIDE JOINS PROTESTS OVER REMOVING TREES

Agricultural Commissioner Max J. Leonard has joined the growing protest in San Mateo County against removal of trees and top soil from the county to Treasure Island for the 1939 World's Fair.

"Everything said at the meeting of the board of supervisors Tuesday is absolutely true," Leonard said.

"Removal of trees from private estates is a matter of no importance, but where the trees are of public benefit, it is a different matter."

He declared the removal of thousands of tons of top soil would cause irreparable damage.

Meanwhile County Engineer U. S. Marshall prepared to make an immediate protest to the exposition company. He revealed that between 30 and 40 trees had been removed from Bay Rd. south of Redwood City. More have been taken from Alameda de las Pulgas in Atherton, he said.

"They probably have a perfect right to take the trees," he said. "Many of them are just 2 or 3 feet off the public rights-of-way, but it's a terrible thing to do to San Mateo County."

First protest was voiced by the Sharp Park Improvement Club which protested against removal of wholesale lots of loam from the Coastside for the exposition site. The supervisors referred the problem to Marshall and to the district attorney's office.

VFW Aids Proposal For Public Library

First support for Redwood City Post 105, American Legion's proposal that a citywide committee be formed to aid development of plans for a new public library here came Tuesday from Corp. James Lindsay Wilson Post 2310, Veterans of Foreign Wars.

Sequoia Purchases 50 Redwood Trees

Fifty redwood trees have been purchased for use on the Sequoia High School campus, according to Principal A. C. Argo.

In addition to replacing old trees that have been cut down, the new redwoods will be used to fill in now barren spots. Argo announced that a row of the trees will be planted along El Camino Real, and that the large oak that formerly stood opposite the auditorium and was blown down in last month's storm will be replaced with a large redwood and several surrounding cedrus deodoras. It is expected that shrubbery will also be used to beautify the campus.

Tentative plans are being laid for future leveling and draining of Sequoia's grounds, in addition to laying out of improved athletic fields, Argo revealed.

Murphy Tells Irish History

Three Redwood City service clubs—Lions, Kiwanis, and Exchange—held their first meeting Tuesday night when 113 men met at Cafe de Paris to hear Daniel J. Murphy, San Francisco sheriff and candidate for the Democratic nomination for the governorship.

Sheriff Murphy traced the history of St. Patrick and of Ireland.

"Popular opinions are usually in error," he pointed out, "and the popular conception of the Irish as a people addicted to clay pipes, who wear silk toppers with green bands, and who are prone to fight with or without provocation, is no exception.

"St. Patrick, the national hero of Ireland, was an apostle of peace and a priest in a great church."

Accompanying the sheriff were State Sen. Thomas Maloney and Carl Maritzen, president of the Board of Permit Appeals of San Francisco.

Three chairmen shared the duty of presiding. Dr. Dewey F. Brown handled the gavel for the Lions, A. H. Sagehorn represented the Kiwanians, and J. A. Buhler was head Exchangite.

Entertainment features included stories and readings by Joe Cuneo of San Carlos, who recited George Beban's "Sign of the Rose."

Ronald Coulter Jr. of Burlingame, popular Peninsula boy soprano, sang a group of Irish songs. He was accompanied by his father.

Sheriff Murphy was introduced by James P. Hagan of the Kiwanis Club.

Orchestra To Join Band for Concert

The Sequoia High School orchestra will join with the high school band for this year's annual concert, which will mark the first time in several years that such a double-feature program has been presented, it was announced here by Max Gelber, director of instrumental music at Sequoia.

The title "Pop Concert" has been chosen for this year's program, to be given Apr. 8 in the high school auditorium. This name was selected because the concert numbers were chosen by popular choice, according to Gelber.

The orchestra will be heard first, followed by feature entertainment during the intermission, with the band concluding the event.

Government Issues Warning on 'Schools'

Through the Redwood City Postoffice, the U. S. Civil Service Commission today issued a warning that the public should not be misled by promises of government positions by so-called "civil-service schools," their agents or advertisements. No school is able to fulfill such promises. The public is warned also against schools or agents who would lead one to believe they represent the government or who can give assurance of success in passing civil service examinations on the completion of their courses.

Queen Victoria once traveled on a train at more than 100 miles an hour, a London engineer revealed in a recent speech. He said the speed was kept secret so the public would not become alarmed.

Paint Firm Moves, Expands Business

Providing the firm with additional room for an expanded business, a change in location has been made by the Engdahl Paint Co., which has moved into the remodeled and redecorated store building at 2388-96 Broadway, directly across the street from its old location.

In the new building, the firm has some 700 more square feet of floor space, all on one floor. In addition to a full line of paint and painting supplies, the firm now handles also a complete stock of furniture, both finished and unfinished, including upholstered; radios, lamps, rugs, draperies, venetian blinds and like merchandise, according to S. E. Engdahl, proprietor, and John J. Waltman, manager. The Engdahl firm, which also has a store in Palo Alto, has been in Redwood City for four years.

To aid in caring for increased business, Fred Williams of Redwood City has been employed as clerk.

More Activities Of Chamber Set For Coming Year

Steps to make the Redwood City Chamber of Commerce a more active organization were taken when directors met at dinner Monday night, according to announcements today by Pres. Duncan Reynard and Secty.-Manager Roscoe D. Wyatt.

1. The directors decided to list all members on the back of a city map which will be distributed to every newcomer in the city with a letter inviting the arrivals to get acquainted with the city's business men.

2. Formation of a better business committee was decided on to provide protection from unreliable itinerant solicitors and agents.

3. It was decided to hold quarterly meetings of the entire membership.

4. Indorsement and support was offered to work of Pres. Paul E. Lowe and his "Clean Up During 1938" citizens' committee "in preparing for Redwood City's guests of 1939 and their pleasures."

5. Decision was made to recommend that the city council spend $55 for a half-page advertisement for Redwood City in the June annual progress number of the California Real Estate Magazine.

The proposal to advertise the Peninsula during the World's Fair year through a co-operative plan was discussed by John Daly of Los Altos, temporary chairman of the committee sponsoring the plan.

Members of the local chamber, including Chairman P. A. Bygdnes, Henry Witte and W. M. Werder of the publicity committee, will attend a meeting in San Mateo Friday at the Benjamin Franklin Hotel to discuss the proposal further with other committeemen.

The strawberry, which 75 years ago was produced only near a few large cities in this country, is now grown commercially in every state and Alaska.

Taking of Soil, Trees for Fair Draws Protests

Removal of soil and trees from picturesque San Mateo County to grace the mud flats on which the 1939 World's Fair is being constructed drew sharp protest Tuesday from San Mateo County officials.

The board of supervisors heard a protest from the Sharp Park Improvement Club against wholesale removal of loam from the Coastside area to Treasure Island.

County Engineer U. S. Marshall revealed that not only soil, but trees are being removed from the county to the fair site.

"I know of one contract for 175,630 cubic yards of top soil to be taken from San Mateo County for this purpose," Marshall said. "Some of the soil is taken from the coast area, particularly in the Edgemar district, and more is to be taken from the Colma Creek drainage area.

"Drainage structures in the Colma Creek basin have cost $360,000, and the problem isn't solved yet," Marshall declared. "Removal of more top soil will aggravate the erosion problem there."

He suggested an investigation and an official protest to the exposition company, with the suggestion that the loam required for the exposition be taken from the Sacramento River delta, source of soil for the 1915 exposition.

Marshall also revealed a lot-buying racket whereby soil contractors paid $10 down payment on a lot, removed the top soil, and allowed the contract to lapse.

"The exposition people have brought their WPA men into this county to remove soil and trees," the engineer declared.

The problem was referred to Marshall and Dist. Atty. Gilbert D. Ferrell for action.

The Rhonda Valley mining district in Wales has produced five of Great Britain's outstanding fighters, namely, Jimmy Wilde, Jem Driscoll, Freddy Welsh, Tommy Thomas and Tommy Farr.

CHINESE HERBS

Herbs sold at $1.00 per package. One package is intended to make one large cup of tea (8 ounces) for internal use. Then, if you are satisfied, you can continue the herb treatment, buying additional packages, if needed. If it is inconvenient for you to boil the tea, we will boil it for you.

RELIEVE SUFFERING

No matter what your affliction is, whether of the Lungs, Liver, Stomach, Heart, Kidneys, Bladder; or if you are afflicted with Indigestion, Asthma, Catarrh, Anemia, Rheumatism, Arthritis, Chronic Cough, Constipation, Diabetes, Headaches, Dizziness, Skin Diseases, Stomach Ulcers, Piles, Hemorrhoids, Female Trouble, or any known complaint, come and be made well again by the herbs God put into the ground for the very purpose of healing mankind. CONSULTATION FREE.

Court of Honor Planned Here

Notice of a divisional court of honor to be held at Redwood City's McKinley School Auditorium, Mar. 25, was sent all Boy Scout units today, J. Franklin Reid, resident scout field executive, reported.

Deadline for Star, Life, and Palm reviews is Mar. 24 at the Chamber of Commerce office, 3:30 to 5:30 p.m.

Max J. Leonard, chairman of the court of honor committee, has asked all scouts, cubs and Sea Scouts to be present and bring parents and friends.

Besides the awarding of scout honors, the units will entertain with stunts and demonstrations.

Members of the district scout committee and the public are invited. There is no charge.

The town of Pescadero is the first to go over the top in the drive for funds for the maintenance of the Boy Scout program and is the first in the southern division to reach its share of the quota K. W. Van Gundy and his committee are striving for. The total to date in the southern division is $1234.25, with San Carlos, Menlo Park, and parts of Redwood City yet to report.

The finance committee of the district scout committee was to meet today to discuss the matter. They desire to complete the solicitation this week.

Additional contributors to Boy Scout Drive for Funds include Sprouse-Reitz Co., Albert Frank Bakery, Bowles & Earhart, Western Auto Supply, F. V. Kington, Ross & Ross, Edmond Scott, A. H McGovern, Richard Bell, California Pacific Title & Trust Co., Maytag Shop, H. L. Winter, Mrs. M. Faye Braly, F. H. Magill, Mr. and Mrs. S. F. Maccubbin, Mrs W. W. Local Taxi Driver Held in Theft Case

PALO ALTO, Mar. 16—Admitting the theft of two cars and sale of wheels and accessories to a San Francisco "fence", Edgar Monsees, 18, Redwood City taxi driver, and Earl Molinari, 21, Mountain View wood cutter, were held by Judge John E. Springer of Palo Alto yesterday afternoon to the superior court in San Jose on grand theft charges. Bail was set at $2500 or $5000 property bond. Neither was able to furnish bail.

They took the automobiles belonging to A. T. Callahan, of Palo Alto, and W. B. Hanna, Stanford student, last November and December, according to their statements. After removing them from Palo Alto, they "stripped" the cars and sold the parts to "Sparky," identified by police as Mario Gladi, of 383 Arkansas St., San Francisco.

Molinari told the court he had never before been arrested, but Monsees admitted being on probation from San Francisco for a similar offense. Monsees said on a former occasion he had sold wheels to a dealer in Mountain View.

The Bayeux tapestry, preserved in the public library of Bayeux, France, contains 1512 figures in 72 scenes representing the invasion and conquest of England by William the Conqueror.

Lapham Urges United Labor

SAN MATEO, Mar. 16—Labor must unite its divided ranks before the employer, labor and the community will make gains, Roger Lapham of Atherton, chairman of the board of directors of the Hawaiian Steamship Lines, told a capacity audience at Peninsula Forum last night. His general topic dealt with the employers' viewpoint of the labor situation. Dr. Otis Sharpe acted as chairman. The talk was the final discussion on labor problems. Next week the forum will turn its attention to the subject of peace.

Lapham discussed especially the labor situation in San Francisco. He said that peace existed until 1934 and then as an organizing movement came into being, a strike developed. Waterfront employers agreed to everything that was asked by a board appointed by President Roosevelt to settle the disputes. Lapham considered that the general strike that developed was caused by radical elements in labor and was, really, a stampede.

He said that, while the employers thought the board awards were severe, the employers tried to abide by them, but that labor troubles have continued and have spread inland. He felt that the contest between the AFL and the CIO was making trouble for the employers and for labor, as well as for this area. He thought that labor itself would not stand such a condition very long.

Supervisor Fred E. Beer addressed the local affairs section, discussing the county's part in the coming world's fair.

Cities League Meets In San Carlos Soon

SAN CARLOS, Mar. 16—Members of Peninsula Division, League of California Municipalities, will meet at San Carlos City Hall at 7 p.m. Thursday, Mar. 24, as guests of Mayor Asa Hull of San Carlos. Speaker will be Thomas J. Ryan, Santa Clara County director of social agencies, who will discuss social and welfare work.

James To Retire From Politics At End of Term

Supervisor James S. James, former county engineer and supervisor since his election two years ago when he succeeded Walter M. High as the representative of the fifth (Burlingame) township, will withdraw from the county political picture at the end of his term in January.

"I will not be a candidate for any public office this year," James declared Tuesday.

The announcement threw the Burlingame supervisorial election "wide open," in the words of political observers, and withdrew the threat of serious competition for County Engineer U. S. Marshall at the impending special election.

James, a champion of the charter system of government, predicted today that it would be extremely difficult to make both the charter and the charter amendments work, but said that was not the reason he was resigning.

"I can't give any more time to the office than I am giving now," he said.

He intimated that it would take the full time of five supervisors to straighten out the charter situation.

Turkey plans to create embassies in South American countries where she is now represented only by charge d'affaires.

Two Members Fail To Attend

When two of their members failed to appear at the meeting, Redwood City's planning commissioners Monday deferred action on a recommendation regarding issuance of permits for more billboards in the city.

The matter was thoroughly aired for an hour by members of the commission and representatives of Foster & Kleiser, which now has 41 "advertising panels" here, and West Coast Advertising Co., which seeks to invade this field by erecting five signs.

But absence of Commissioners John E. Layng and C. M. Doxsee induced the members to vote unanimously to postpone action another month. The question had been referred to the commission by the city council. After discussion four weeks ago, the commissioners decided to inspect the sites on Washington's Birthday and take action at their next meeting.

OPPOSITION MARKED

Some of the commissioners were outspoken in their opposition to granting permits for more signs here.

Daniel Stafford declared: "In the eyes of the advertising men we may need some more signs, but in the eyes of the people we have enough; in fact we have too many."

Edwin De Smith declared he believed that "the people are opposed to the signs."

"Personally," he added, "I think it would not be the thing to do—to grant a permit for more signs."

Edwin T. Allen made no definite commitment except to remark that "I think we have plenty of signs now."

BANNED ELSEWHERE

Chairman Henry Witte and City Manager C. L. Dimmitt indicated by their remarks that they opposed more signs here. City Atty. Albert Mansfield, only other commissioner present, did not commit himself, but did remark emphatically, in answer to why San Carlos did not permit the signs:

"They won't stand for them, that's all."

It was brought out that Redwood City was the only city between Mayfield and San Carlos, inclusive, which permitted billboards on El Camino Real. Palo Alto and San Carlos both have ordinances banning the boards entirely.

The billboard representatives argued that it was discriminatory to regulate against the outdoor signs in commercial zones; that it was as unfair to attempt to limit number of billboards as it would be to limit stores or service stations or factories. They pointed out that owners of property obtained rental from the signs to help them pay taxes.

NEW STATION APPROVED

The commission earlier recommended permission be given to P. A. Bygdnes, represented by Bryce A. Muir, real estate broker, to erect a service station for the Shell Co. on the East side of El Camino Real between Claremont and Wellesley Sts.

Upon inquiry made by R. E. Savage about the building of second houses on a lot on Inner Circle and another at the corner of James Ave. and Myrtle St., the commissioners informed him that each owner had agreed to raze the older house when the new one was completed.
